

## OUR GROUND RULES

We agree to . . .

1. Be in the room during the sessions.
2. Keep pagers, radios and cellular phones on “silent.”
3. We will have one conversation at a time.
4. Use the microphone when speaking to the group.
5. Become quiet when we hear and see the signal for “all quiet”.
6. Respect each other’s views, ideas and communications even when they differ from our own.
7. It is acceptable to accept, negotiate or “pass” on anything that is asked of you.
