

## **Transformational Leadership Development Program for CCM Leaders in Latin America and the Caribbean**

### **Session II Intentions**

1. To consolidate, integrate and practice the leadership maps, models and practices learned in session one.
2. To acknowledge what we have learned and the results we have produced so far in the program.
3. To expand our ability to form, lead and manage teams.
4. To increase our ability to enroll others in our vision in way that they are moved to action.
5. To learn and practice the art of coaching as a key skill for sustaining effective action.
6. To ensure the successful completion of our Breakthrough Initiatives.
7. To learn from each other and build the capacities of our CCM's to be effective in helping lead our country's response HIV/AIDS, tuberculosis and malaria.
